

Planned Giving

On average, nearly 20 people per minute are physically abused by an intimate partner in the United States. During one year, this equates to more than 10 million women and men.

The National Coalition Against Domestic Violence (NCADV) has been working since 1978 to create a society where there is zero tolerance for domestic violence. By including us in your planned giving you provide us with the resources necessary to continue educating, advocating, engaging in public policy and providing services and programs for victims and survivors of domestic violence.

There are many ways to give which include:

[Bequests](#)

[Gifts of Retirement Plans](#)

[Gifts of Appreciated Securities](#)

[Gifts of Life Insurance](#)

[Gifts of Stock](#)

It is always best to consult with your financial advisor or attorney to structure your planned giving.

Please contact Dina Coates Koebler at NCADV if you would like to speak to a staff person at 303-839-1852 #108 or email dcoates@ncadv.org.

Thank you for considering a gift to the National Coalition Against Domestic Violence!
